

## Sreejon Lala Memorial Scholarship

**(PLEASE ATTACH THIS SHEET AS THE COVER TO YOUR APPLICATION)**

\$1,000 Award

This scholarship will be given to a senior student who shared in education and many memorable events at Davies High School, where Sreejon Lala received his high school education. Sreejon Lala, a very intelligent and fun-loving Davies Eagle, left his imprint among his friends, family, and even anyone who met him for a very short period of time. He was witty, smart, lively, respectful, extremely helpful, and very charming with a million dollar smile always shining on his face.

Sreejon was passionate about educational challenges and enjoyed every moment behind all of his accomplishments. Some of his achievements included John Hopkins Mathematics and Reading Distinction Award, AP Scholar Award, Science Olympiad Group Award, JV Tennis Awards, National Honor Society Award, French Language Award, attending merit-based summer camps for talented youths at different universities (MSUM, NDSU, Macalester College, and JHU). Along with exceptional academic excellence, Sreejon enjoyed hundreds of hours of volunteering, most of which were related to helping patients in different institutions. Attending Health Career Courses for the last four years and serving different types of patients through volunteer service encouraged him greatly to choose his career to become a physician. 2015 could have been a promising year for him based on his acceptance to attend the National Youth Leadership - Medicine, Health, Youth Medical Experience at Sanford, and Undergraduate Degree at the University of Minnesota in the college of Biological Sciences. To top it all, he had also cleared the pre-selection process for the Undergraduate Program at Yale University.

Sreejon will always be remembered for his friendly smile, leadership, helping, and kind personality.
