Tyler Eicholtz Memorial Scholarships: Celebrating Excellence in Baseball, Math, and Art

The Tyler Eicholtz Memorial Scholarship offers two \$1,000 scholarships. One of these scholarships will be given to a graduating senior who is a member of the Fargo North baseball team. The other scholarship will be awarded to a graduating senior who has displayed a strong interest and aptitude in math or art as a career choice.

To be eligible for the scholarship, applicants must exhibit the same characteristics that Tyler embodied: exceptional people skills, excellence on the field, and a genuine passion for life. To assist us in selecting the right candidates, please answer the following questions to the best of your ability on a separate sheet of paper. Be sure to provide brief but complete answers.

Please answer the following questions on a separate sheet-

- If applying for the **math and/or art scholarship**, outline your involvement in Fargo North math and/or art, including any special recognition or honors received.
- Discuss your post-secondary plans, including where you are planning to attend, area of study, etc.
